CHAPTER I

INTRODUCTION

1. To bring transparency in governance of Public Authority, Right to Information Act 2005 was passed by the Parliament as published on 21 Jun 05. The Act provides that relevant matters and decisions must be made known to the public to the extent possible. It is therefore necessary for the citizens to know as to how and why a particular decision affecting them is taken and for that purpose to seek information before making or drawing any conclusions by them.

2. As per the Act, any citizen may request for any information from the Public Authority without prescribing any reasons for the requirement of said information. Every Public Authority shall provide the information as expeditiously as possible within 30 days of the receipt of the request on payment of prescribed fee, subject to the information exempted for disclosure as per Section 8 of RTI Act 2005.

3. This handbook in the form of templates containing eighteen chapters has been made to facilitate the public in order to allow them to have access to the relevant information.

4. The public information authority for this Command have been appointed and the unit under this Command have also been directed to make the arrangements at their reception centers to receive the applications from the public under RTI and thereafter forward the same to Public information Authority of this Command. The notice boards containing details of public information authorities along with the telephone numbers have also been displayed at the entrances of all units under this Command.

5. This handbook contains the following chapters.

6. **Receipt of Request/Application**: A person who desires to obtain any information under this Act, shall make a request in writing or through electronic means in English or Hindi or in the official language of the area in which the application is being made, accompanying the required fee, as mentioned below, to CPIO/CAPIO specifying the particulars of the information sought. Where such request cannot be made in writing, the CPIO/CAPIO shall render all reasonable assistance to the person making the request orally to reduce the same in writing. The applicant, making request shall not be required to give any reason for requesting the information or any other personal details except those that may be

necessary for contacting him or her. The request for information received at units are to be transmitted to Command HQ at the earliest, preferably by fax, for action by CPIO/CAPIO along with relevant information held by the unit and recommendations whether the information should be supplied to the applicant and if not, grounds for such rejection. Section 8 of the Act is to be considered before making any recommendation for rejection or otherwise. If the application is made for the information, which is held by another, public authority or the subject matter connected with the functions of that other authority, the CPIO/CAPIO is to transfer the application or such part of it as may be appropriate to that authority.

7. Any citizen of India may contact the public information authorities to seek information. The details of Public Information Authorities of this Command are given in Chapter 8 of this handbook.

8. **Fee Structure**: The levy of fee and cost for supply of information is governed by the RTI (Regulation of Fee and Cost) Rules, 2005 as amended by RTI (Regulation of FEE and Cost (Amendment) Rules 2005. The request for obtaining information under section 6 of the Act, shall be accompanied by fee of rupees ten by way of cash against proper receipt or by demand draft or cheque payable to 'Air Force Public Fund Account(Name of Unit, Place)'. For providing the information under section 7 of the Act, the fee shall be charged by way of cash against proper receipt or by demand draft or cheque payable to the 'Air Force Public Fund Account (Name of Unit, Place)' at the following rates: -

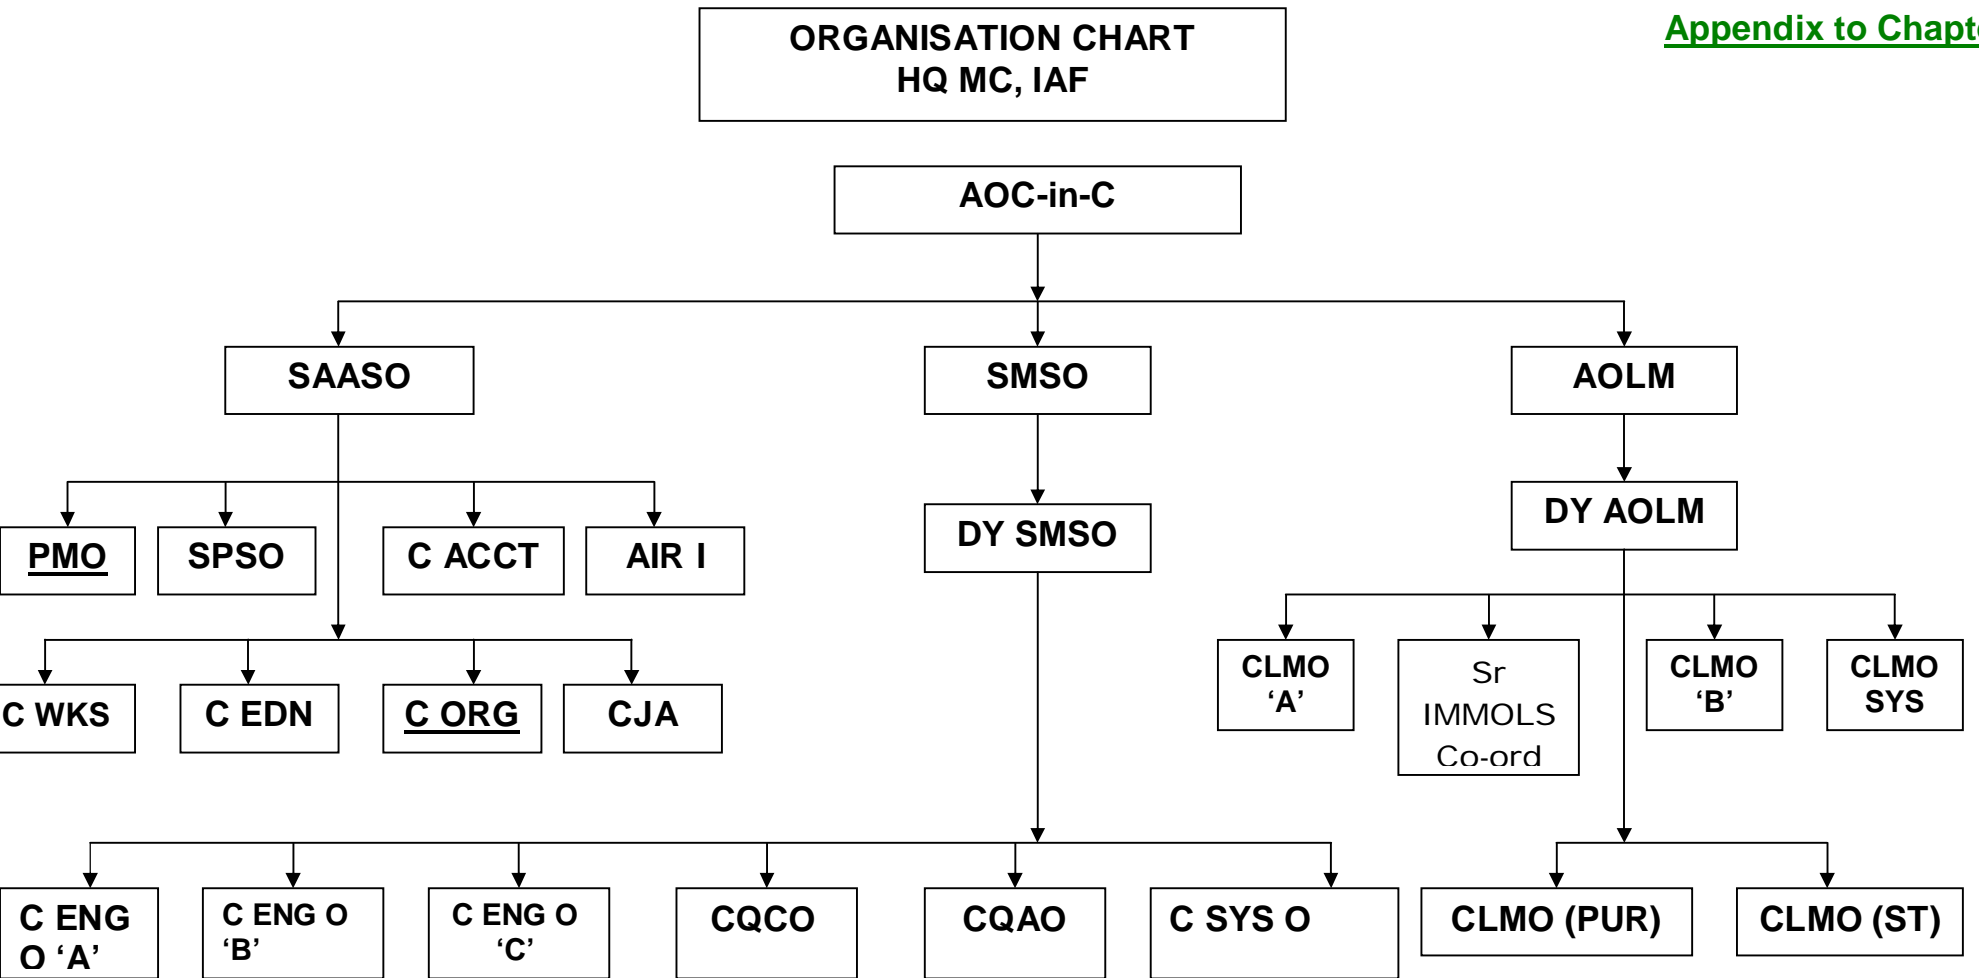

- (a) rupees two for each page (A-4 or A-3 size paper) created or copies;
- (b) actual charge or cost price of a copy in larger size paper;
