NEW DELHI: The IAF RTW expedition has reached Providence near New York as it makes its way around the United States. Charting a new route through the country, it will stay put in Providence for the day to do some over sea training.

Tomorrow they will head to Toronto.

The expedition is being led by Wing Cdr Rahul Monga and his co-pilot is Wing Cdr. Anil Kumar.

This expedition, attempting to create a new world record in circumnavigating the globe in a single engine microlite aircraft in the shortest possible time, took off from the Hindan air base near Delhi on
