

## NODAL TECHNOLOGY CENTRES & CONTACT DETAILS

1. In order to give an impetus to the Make in India policy of the GoI, **Nodal Technology Centers (NTCs)** have been set up at major Depots. Each NTC is assigned with a specialisation field, under which design and development projects, beneficial to the IAF are identified and pursued. Towards this, in the 3<sup>rd</sup> week of every quarter (Feb, May, Aug and Nov months), the Depots conduct a week long Symposium, with the theme 'Make in India', where-in, Indian Academia, R&D labs and Industry Reps are invited to participate.

2. Interested personnel in the field of aviation design, development, technology, testing and manufacturing, may contact the NTCs for participation in the Symposiums. NTC and contact details are as shown below:-
